This Week:

Vincent Monterola – Patron of CFS Foundation

Welcome to our club and thank you for the time you have taken to present to the Group 6 Rotarians and visitors whilst in attendance, to accept a cheque of \$1000 on behalf of the CFS Foundation.

Group 6 members worked tirelessly in some very high temperature days, at the Bunnings BBQ in Modbury, over the weekend of the Australia Day celebrations. This was to aid in raising some much-needed funds for the CFS Foundation. This is the 2nd time Group 6 have joined together for an effort for the CFS Foundation and we look forward to more in future.

We are honoured to have presented a cheque to assist with this very important team of dedicated volunteer members, who have spent countless hours saving homes for the many people in the TTG areas who have been at risk over the years and in particular the past few years.

“Vince has a long history of Community service involvement. A volunteer firefighter for 55 years, he also spent many years in the RAAF Reserve, on the KESAB Board, as a prison inspector, and in Rotary. He is a Past President of the Rotary Club of Stirling.

His current activities, apart from the CFS, include conservation work in the Flinders Ranges, serving as a JP, assisting with the establishment of a fire service museum, and supporting the CFS Foundation as its Patron.

Chairperson for the evening was PP Glenn Mitchell

After retiring from the private sector where he held senior executive positions he was enticed to enter the public sector as Chief of the CFS before being appointed Chief Executive and Board Chair of the SA Fire and Emergency Commission. He was appointed to lead the community recovery programs following the fatal Wangary bushfire on Eyre Peninsula and the devastating Pinery bushfire in the mid north.

Among awards received for the community service, and leadership in the emergency services are the Australian Fire Service Medal and the AM (member of the Order of Australia)”

A magnificent presentation, Vince is an excellent speaker who captivated his audience with humour and stories of his long career within the Volunteer services. We wish you well in the future and hope you are able to continue your wonderful services to the community for many more years to come.

Among our visitors for the evening were DG Peter Schaefer who presented the cheque to Vince and AG Peter Perkins for Group 6.

Special mention to our Group 6 visitors, from Golden Grove and Makin Edge. Thank you for your assistance with the BBQ's and also for your attendance.

Also to the members from the Modbury Rotary Club who were apologies for the evening.
