### This Week:

#### Visitor – Mark Holden

Welcome to our club and thank you for the time you have taken to present to our members on your intent to assist us with a fundraising project.

We look forward to working with you and appreciate the time you have taken to offer some history of your family and your life in the spotlight.

Mark has offered to visit 6 Rotary clubs in August 2018 as he tours Country SA. Tea Tree Gully Rotary Club being the first, followed by Noarlunga, Mt Gambier, Pt Lincoln, Pt Pirie and Renmark. He intends assisting with some fundraising and being a major contributor.

We also had some other visitors for the evening including, visiting Rotarian Bill, from Mt Gambier, who has visited us before and it was wonderful to see him again and hear him tell us a little about his own club.

It is a great opportunity to listen to how other clubs get along and the different projects they are involved in. It would be wonderful to extend our outreach to perhaps do some things together in future.

Zara Awramenko and her family also visited us to offer an introduction of herself and her family to be potential awardee of an RIE (Rotary International Exchange) position.

Welcome to Zara and her family, it was wonderful to see someone so confident and excited to be part of an excellent programme, whereby our club has just begun to partake again with out bound students.

The interviews for the exchange will be conducted in early May or June 2018 for the January 2019 intake. We wish Zara well on her endeavour to be chosen for this esteemed position.
